

Stylish Hood with Auto Ventilation System

The all-new LESTE model from the 350 Incassato Series is equipped with EXCHANGE, the latest innovative technology that does the ventilation for your kitchen after cooking. The best part, it is fully automated. It leaves your kitchen free from pesky cooking smell.

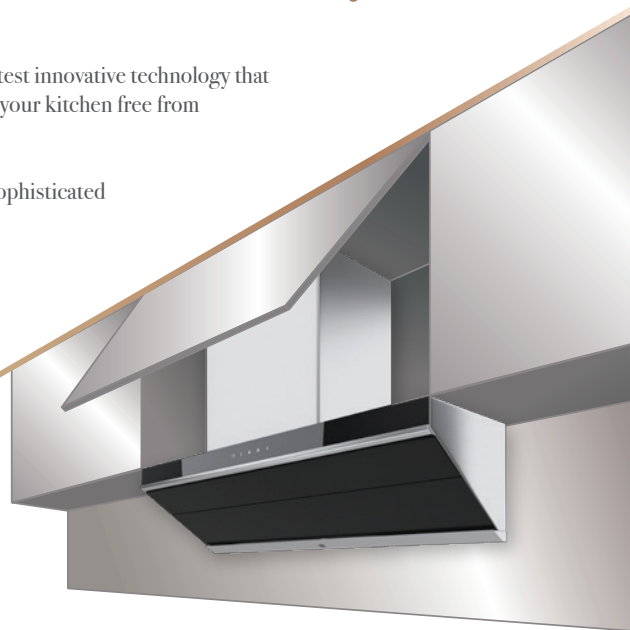

This premium hood blends unique minimalist design with high-sheen finishes - essential for a sophisticated kitchen interior look. It is specially designed to fit within any standard cabinet and unlike common hoods, its Sensor Touch Control LED panel can be set in line with the woodwork.
